SUMMARY:

I am a highly organised, diligent, and diversified professional with years of experience both in front of and behind the camera. I can comfortably converse with people in person, on the phone and through email, whether they are a Director, a location owner, a press professional or an extra. I enjoy keeping in touch with past colleagues and recommending them for suitable positions in further work. I am confident working on and in a wide manner of programs, apps and technology, as well as being a quick learner for any in which I don't yet have experience. I am extremely determined, I go the extra mile, and I value all opportunities to work in the film industry.
